## ZENIX LON-2

BLE AoA Locator/Gateway

### Sentrax's AoA RTLS High-Accuracy, Cost-Effective Indoor Positioning

Sentrax's Bluetooth Low Energy (BLE) Angle of Arrival (AoA) RTLS delivers precise, sub-meter accuracy for real-time tracking of assets and personnel. Leveraging advanced BLE 5.X AoA technology, Sentrax's RTLS delivers unparalleled precision in indoor and outdoor environments, enabling real-time tracking with higher accuracy. Whether you're optimizing warehouse operations, enhancing healthcare workflows, or improving safety in industrial settings, Sentrax's solution offers seamless integration, scalability, and cost-effectiveness.

#### • What's New At Sentrax •

- Sentrax BLE Angle of Arrival RTLS: Precision and Reliability Combined
- Indoor & Outdoor Devices Coverage of the Devices
- Welcoming Purple as our Partner for Indoor Navigation and Wayfinding Systems

### Sentrax Joins Forces with Purple

We are thrilled to announce our partnership with **Purple**, a global leader in intelligent spaces and location services. With their advanced analytics and AI-driven insights, Purple joins forces with Sentrax to enhance our BLE-based indoor Navigation and Wayfinding solutions. This collaboration empowers businesses with precise indoor positioning, deeper customer engagement, and smarter space utilization, creating seamless, data-driven environments. For more details, visit Sentrax's partner page on our website.

### Comprehensive Indoor & Outdoor Tracking with Sentrax's AoA RTLS

Sentrax's Angle of Arrival (AoA) RTLS provides seamless, high-precision tracking across both **indoor** and **outdoor environments**. Our advanced **ZENIX LON-2 indoor** and **ZENIX LOF-2 outdoor** locators leverage Bluetooth 5.x AoA technology to achieve sub-meter accuracy, ensuring reliable real-time positioning for assets, personnel, and critical equipment.

ZENIX LON-2

ZENIX LOF-2

Paired with Sentrax-compatible BLE tags, our system delivers precise location tracking across warehouses, manufacturing plants, hospitals, and large-scale industrial sites. With the flexibility to choose between **Sentrax's tags** or **partner's Sentrax compatible tags**, we ensure comprehensive coverage across all form factors, meeting diverse tracking needs with ease.

### Experience Cutting-Edge RTLS with Our BLE AoA Evaluation Kit

#### Get the next gen RTLS in a box!

The kit includes:

- 3x ZENIX LON-2
- 5x PINIX TOK-1
- 5x PINIX TOW-1
- 1x Solix Platform
- 1x Support and Training
